JYAA is a non-profit, volunteer based organization. Volunteers are needed to perform numerous functions that serve to make JYAA successful. These include working the concession stand, organizing the concession stand operations, maintaining the fields, coaching, and being a team parent. Please know that when children are signed-up to participate in JYAA programs, families are **highly encouraged** to volunteer their time in one or more of the above functions.

Your role as a parent/guardian:

- Know the practice & game schedules and always have your child there on time & pick them up on time
- Work a shift in the concession stand
- Serve as a role model by showing good sportsmanship
- Do not argue with the game officials
- Remember that the coaches are **VOLUNTEERS** who usually work full-time jobs and are giving their time so that your child can participate in this sport

The proper procedure to handle any complaints you might have:

Please speak with the following people in this order:

1. Your child's coach
2. This sport's commissioner
3. Board Representative for this sport
4. JYAA executive board
